Experience with respect to domain names related Arbitration/Mediation

Listed in the 'Legal 500' (leading industry guide) as having 'specialist expertise in the protection and enforcement of IP rights in cyberspace'.

Acted for a broad range of UK, European and international based clients (including a number from North America and the Far East) in an estimated 500+ domain name matters. Experience includes drafting and submitting complaints / responses in domain name dispute resolution proceedings; numerous negotiations with domain name registrants; advising on technical disputes with Registries; advising on foreign ccTLD registration and dispute resolution issues; also advising generally on domain name registration strategy and portfolio management.

Contributing author of the practitioner's reference book 'Domain Name Law and Practice: An International Handbook' (published by Oxford University Press in 2005).

Regular speaker on domain name protection and recovery issues.

Attended WIPO's domain name Dispute Resolution workshop in Geneva - 2004.
